### Notes:

Round Table Effectiveness: Problems with those w/hearing problems --- Volume.

Overall Summit was "OK".

Well structured/organized – maintained schedule within time scheduled.

Graduation/Dropout Prevention Summit June 5, 2009 – Cannot attend last day of school.

Fewer presenters – more discussion.

Need system for specific implementation of ideas.

How to get best thinking on road blocks to specific proposals.

Round Tables - Too loud at times to discuss topics

Round Tables – Noisy
