Neighbors Helping Neighbors

"We have always been inspired by the caring generosity of our fellow West Virginians. Helping those in need, sometimes those we don't even know, shows compassion and love for our neighbors.

Leadership giving through the Capitol Club represents the cornerstone upon which United Way of Central West Virginia is built. Founded in 1984, the Capitol Club now generates more than half the campaign goal with over 600 members raising more than \$1 million this past year. Please join other leaders in our community and share your good fortune."
