## MORE WAYS TO MAKE AN IMPACT

Contribute to the Equal Footing Shoe Fund! Your donation will help ensure that every child in our region has access to a pair of shoes, empowering them to walk confidently towards a brighter future. Together, we can take steps towards a more equitable and caring community.

### SOCKTOBER

Help us warm hearts and toes by donating socks to those in need. Your contribution will provide comfort and warmth as the temperatures drop, making October a truly Sock-tastic month of care and compassion.

Elevate your workplace engagement with United Way of Central West Virginia by scheduling a Lunch & Learn session! Our informative and interactive sessions shed light on the impact of workplace campaigns. Discover how your organization can make a difference in our community. Together, we can create a better tomorrow for all!
