Your Donation Supports Our Community Impact Fund

This fund directly supports the 33 programs who are receiving funding from United Way of Central WV through the Citizens Review Process. This process ensures that your contribution goes where it is needed most in our communities.

As a result of the pandemic, your contribution also allows us to meet the ever-changing needs of our community as we reimagine and rebuild our state. We work tirelessly to get resources where they are needed most. From face masks to toilet paper, we provide basic supplies to our seniors, families, and our nonprofit partners. We assist with food distributions across five counties, answer WV 2-1-1 calls for referrals and help, and make sure our funded partners continue to receive their monthly payments. As we look ahead, we are committed to working harder than ever to meet the ever changing needs of our communities. We are UNITED FOR GOOD.

Visit our web site at www.unitedwaycww.org to find out how your gift makes a difference.

Through individual giving of \$500 or more, Capitol Club Leadership givers have a profound impact on the lives of others in the community. For as little as \$10 a week, you can join the Capitol Club. Spouses/partners may combine their gifts for recognition.
