Approved Uses (Schedule B)

Please Review Exhibit A of the WV First Foundation MOU (<https://wvfirst.org/wp-content/uploads/2023/12/2022.2.16-Final-MOU-Exhibits-REVISED-EX-C.pdf>) prior to completion.

Schedule B - Approved Uses

The Parties shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the Core Abatement Strategies in Schedule A. Invited applicants will have the opportunity to select Core Abatement Strategies in the full applications.

Schedule B (Approved Uses) supports the treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

Part One: Treatment (Expanding treatment access, recovery programs, and supportive services)

Part Two: Prevention (Programs that prevent substance use, promote awareness, and support responsible prescribing practice)

Part Three: Other Strategies (Efforts focused on enforcement, supply reduction, data systems, and research)

Please select the Approved Strategies that will guide your outcomes and services.

- Part One: Treatment
- Part Two: Prevention
- Part Three: Other Strategies

Under Schedule B, Part I (Treatment), which best aligns with your funding request?

- Telehealth services for medication-assisted treatment, counseling, and psychiatry
- Peer recovery services and trauma-informed support
- Workforce development for treatment providers (training programs, scholarships, certification support)
- Housing, transportation, childcare, and job placement support for people in recovery
- Recovery housing programs and peer-support services
- Community-based support and programs to reduce stigma
- Screening, Brief Intervention, and Referral to Treatment (expanded services for uninsured and underinsured)
- Medication-assisted treatment initiation in hospitals or through "bridge" clinics
- Crisis stabilization clinics and centralized call centers to connect people with services
- Support for individuals reentering the community after incarceration, including transitional services for those with both substance use and mental health needs
- Specialized services for pregnant and parenting women and families impacted by Neonatal Abstinence Syndrome
- Long-term recovery support and home-based wraparound services
- Services that are trauma-informed and culturally appropriate

Under Schedule B, Part II (Prevention), which best aligns with your funding request?

- Prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids
- Prevent misuse of opioids
- Prevent overdose deaths and other opioid-related injuries

Under Schedule B, Part III (Other Strategies), which best aligns with your funding request?

- Law enforcement programs that reduce the sale and distribution of opioids and other harmful drugs
- Distribution of naloxone and overdose prevention efforts coordinated with public safety agencies
- Systems for collecting and reporting overdose data

- Distribution and use of fentanyl test kits and deployment of mobile response units
- Testing and linkage services for HIV and Hepatitis C related to substance use
- Training for first responders on fentanyl exposure safety
- Wellness and mental health support services for first responders experiencing secondary trauma
- Regional planning and data dashboards to coordinate efforts and track outcomes
- Cross-sector training programs for professionals across health, education, justice, and community fields
- Research on prescription monitoring, effectiveness of prevention methods, fentanyl testing, and other emerging tools
- Research to identify new strategies and tools that address addiction through supply reduction, demand reduction, education, and law enforcement support
