**Volunteer Release Form**

The Annual United Way Day of Caring is a public community event during which photographs and other media may be taken by a diversity of individuals. I acknowledge that I am aware the event is public, and I may be photographed/videotaped at any time during the day.

I give my consent for UWCWV and the organization for whom I am volunteering to use my photograph/other media for the purpose of illustrating their work in the community, including, but not limited to:

- Social media sites
- Newspapers and newsletters
- Brochures and annual report
- Television and radio spots
- Other Information sharing internet or hard copy venues

If you are a company volunteer, and your company requests employee photos/media, we will share them with your employer.

By registering as a volunteer for a Day of Caring project, I agree to comply with the written instructions contained herein this document. I hereby release, indemnify and hold harmless United Way of Central WV, sponsors and agency/community partners of all its activities, from any and all liability in connection with any injury including any injury caused by negligence, in conjunction with Day of Caring, September 20, 2023.

I hereby warrant that I am at least eighteen years old and have every right to contract in my own name in the above regard. By signing below, I state further that I have read the above release, prior to its execution, that I am fully familiar with the contents thereof, and that I am in full agreement to its terms.
